 CHAPTER 315, FLORIDA STATUTES

A PARTNERSHIP FOR CLEAN AIR

Permitted under Section 325.216, Florida Statutes, it is unlawful for any person to prepare an inspection certificate or to receive an inspection certificate unless authorized by the department. It is unlawful for any person to knowingly prepare an unauthorized inspection certificate. Any person who violates this section is guilty of a felony of the third degree, punishable as provided in s. 775.082, s. 775.083 or s. 775.084.

Date: 01/23/93 Time: 10:49 Certificate No. H13C001063023080

Your motor vehicle test results are shown below under FINAL RESULTS.

**IF THE RESULTS ARE:**

**PASS**— Please detach the inspection certificate below and submit it with your registration renewal documents or, if renewing in person, present the certificate to your county tag agent.

**FAIL**— You should have your vehicle repaired or adjusted and pass a reinspection prior to the expiration date of your registration. The first reinspection is free. Repair diagnostic information is listed on the back of this page.

- This report must accompany the vehicle at the time of reinspection.
- Reinspection requirements do not change your registration deadline.

This test was done in conformance with Section 207(b) of the Federal Clean Air Act. Your vehicle may be eligible for warranty coverage under this act for the required repairs if it is less than 5 years old and has been driven less than 50,000 miles. Check your motor vehicle owner's manual or contact your automotive dealer service department for details.
